WORLD HALAL TRUST

QUALITY POLICY STATEMENT

12th of May 2025

'WHT Certification Australia' LTD strives to provide the highest quality Halal Certification services and to assist our Clients by opening new markets and expanding trade horizons. We are committed to the full conformance of our activity with Shariah Law and proudly adhere to the requirements of external standards we implement within our organisation for excellence. It is vital for us to meet or exceed expectations of interested Parties and to always comply with all applicable requirements for our activity.

Our main quality objectives are:

- Full compliance with the requirements of all implemented external standards

- Full satisfaction of interested parties

- Running profitable business to retain full independence from any external pressure

We have the following systems and procedures in place to support us in our main quality objectives:

- Deriving the main goals for our business

- Setting the measurable targets which reflect achievement of these goals

- Setting and monitoring of the KPIs' (Key Performance Indicator) for each target

- Defined quality mechanism to properly assess achievement of the set goals and targets with the help of identified measuring tools (KPIs)
